

HOSPITAL CHOICE COST SHARING

Your medical plan gives you an opportunity to control your share of medical costs for hospital care. What you pay depends on the hospital or related facility you choose.

LOWER COST SHARE

Lower Cost Share (\$) applies to hospitals and related facilities that have met our quality benchmarks and are lower in cost. You pay less when you get care at these hospitals.

HIGHER COST SHARE

Higher Cost Share (\$\$) applies to hospitals and related facilities that are higher in cost. You pay more when you get care at these hospitals.

HOW HOSPITAL CHOICE COST SHARING WORKS

These costs apply to inpatient care, outpatient day surgery, outpatient high-tech radiology, outpatient diagnostic lab tests, outpatient diagnostic X-rays and other imaging tests, and outpatient short-term rehabilitation therapy.

This guide can help you get the highest value from your plan. Just follow the simple steps on the next page to review your hospitals and your options. Your health benefits will tell you what your specific share of the costs is. If you're not sure, you can call Member Service at the number on the front of your ID card.

Questions?

This health plan option includes a tiered network feature called Hospital Choice Cost Sharing. As a member in this plan, you'll pay different levels of cost share* (such as copayments and/or co-insurance) for certain services depending on the network* general hospital you choose to furnish those covered services. For most network general hospitals, you'll pay the lowest cost sharing level. However, if you receive certain covered services from some network general hospitals, you pay the highest cost-sharing level. A network general hospital's cost-sharing level may change from time to time. Overall changes to add another network general hospital to the highest cost-sharing level will happen no more than once each calendar year. For help in finding a network general hospital for which you pay the lowest cost-sharing level, check the most current provider directory for your health plan option or visit the online provider search tool at myplans.bluecrossma.com/medical-insurance/hospital-choice-cost-sharing. Then click the Planning Guide link on the left of the screen to download a printable network hospital list, or to access the provider search page.
