

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately. This is only a **summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, see [bluecrossma.org/coverage-info](https://bluecrossma.org/coverage-info). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at [bluecrossma.org/sbcglossary](https://bluecrossma.org/sbcglossary) or call 1-800-358-2227 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$3,200 member / \$6,400 family in-network; \$6,000 member / \$12,000 family out-of-network.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. In-network prenatal care, <u>preventive care</u> .	This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this plan?	\$5,500 member / \$11,000 family in-network; \$11,000 member / \$22,000 family out-of-network.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="https://bluecrossma.com/findadoctor">bluecrossma.com/findadoctor</a> or call the Member Service number on your ID card for a list of <u>network providers</u> .	You pay the least if you use a <u>provider</u> in-network (lowest <u>cost share</u> ). You pay more if you use a <u>provider</u> in-network (highest <u>cost share</u> ). You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your plan pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect January 1, 2014, as part of the Massachusetts Health Care Reform Law.

This health plan option includes a tiered network feature called Hospital Choice Cost Sharing. As a member in this plan, you will pay different levels of in-network cost share (such as copayments and coinsurance) for certain services depending on the preferred general hospital you choose to furnish those covered services. For most preferred general hospitals, you will pay the lowest in-network cost sharing level. However, if you receive certain covered services from some preferred general hospitals, you pay the highest in-network cost sharing level. A preferred general hospital's cost sharing level may change from time to time. Overall changes to add another preferred general hospital to the highest cost sharing level will happen no more than once each calendar year. For help in finding a preferred general hospital for which you pay the lowest in-network cost sharing level, check the most current provider directory for your health plan option or visit the online provider search tool at **[bluecrossma.org/hospitalchoice](https://bluecrossma.org/hospitalchoice)**. Then click on the Planning Guide link on the left navigation to download a printable network hospital list or to access the provider search page.
