Committed to you

We understand that you may need extra assistance with your FMLA leave. Our online service is part of our commitment to making the process easier for you.

> Managing your FMLA leave is just a touch away. Go mobile with the Unum Customer App.

Unum provides you with a simple, secure way to manage your FMLA (Family and Medical Leave Act) leave online. Whether you need to file for the first time or update an intermittent leave, our Web service is easy and intuitive. It also allows you to view updates, correspondence, documentation and more. This online option is available at your fingertips, 24/7.

It's easy to file an FMLA leave or record intermittent leave.

To get started:

1 Go to www.unum.com/claims

2 Returning users, please log in with your user ID and password.

3 First-time users, please register an account to file a new FMLA leave, submit intermittent time, or view correspondence.

The screenshot shows the Unum website interface. At the top, there's a navigation bar with the Unum logo and 'Secure Internet Services'. Below that, there are input fields for 'User ID (email address)' and 'Password', a 'Login >' button, and a 'Forgot password' link. A 'Register for an account' section is also visible, with a sub-section for 'Employees' listing options like 'File a claim/leave', 'Download supplement', 'Check your claim status', and 'Update personal information'. There are also links for 'Find group policy and employee certification booklets'.

What events qualify for FMLA leave?

Under the FMLA, eligible employees can take up to 12 workweeks of unpaid leave during a 12-month period for:

- Medical leave due to the employee's own serious health condition
- Birth, adoption or foster care placement of a child
- Care of that employee's parent, spouse or child with a serious health condition
- Any qualifying exigency for a spouse, child or parent of a service member who is on covered active duty — or notified of an impending call or order to covered active duty — as a member of the reserve or regular components of the Armed Forces
- Military caregiver responsibilities

* You must start your claim on the website or over the phone. Then you can use the mobile app to manage your claim. The Unum Customer App is available for Apple and Android devices.
