

Get a helping hand with identity theft recovery

86% of identity theft victims experienced fraudulent use of existing account information, such as credit card or bank account information.

Harrell, Erika, "Victims of Identity Theft, 2014," U.S. Department of Justice Bulletin NCJ 248991 (September 2015).

If your identity is stolen, you may not know where to turn and what you should do to best protect yourself. The recovery process can be time-consuming and can prevent you from being able to focus on your daily responsibilities.

Fortunately, Unum can provide support when you need it most.
